

# WEIS 2025

## Conference Venue

Convention Hall (An-block 2F),  
Institute of Industrial Science,  
The University of Tokyo  
Komaba II Campus  
4-6-1 Komaba, Meguro-ku,  
Tokyo 153-8505, JAPAN

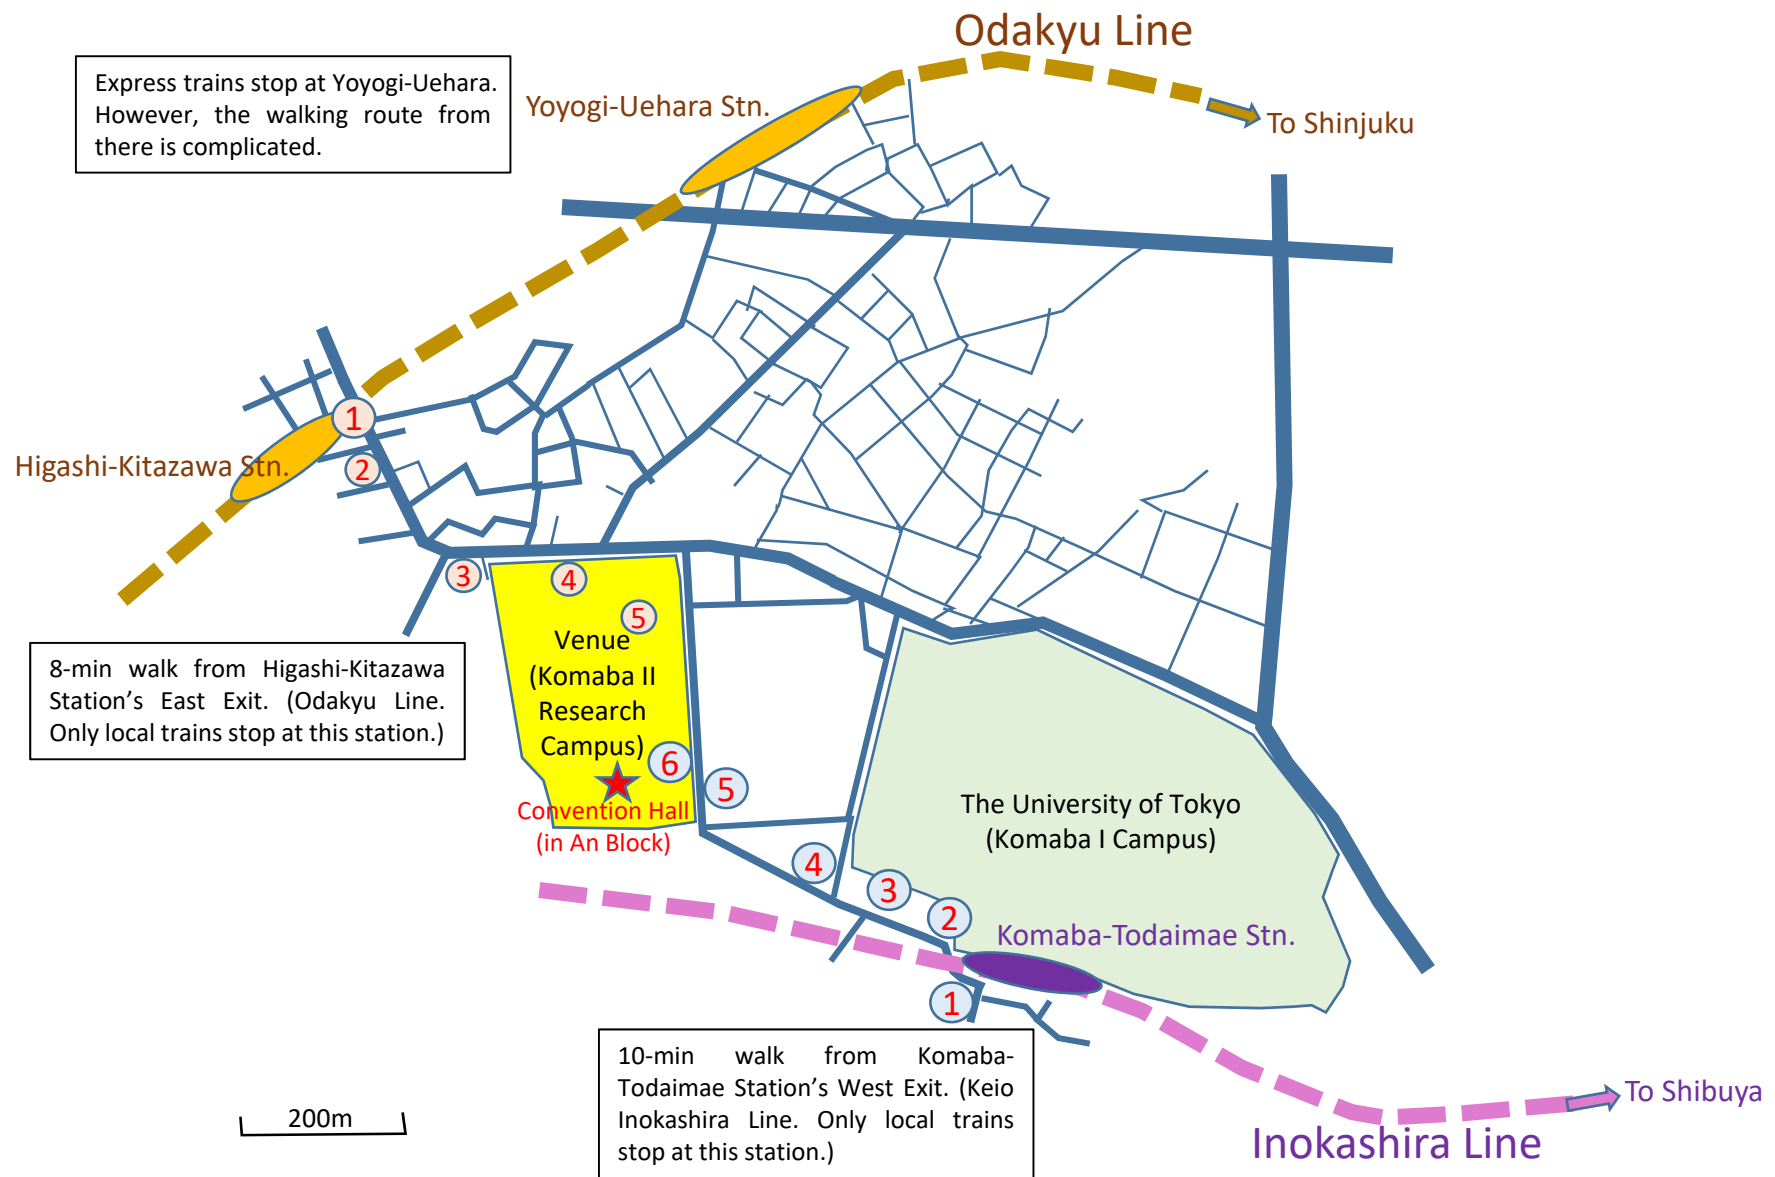

**Institute of Industrial Science (IIS)  
Komaba II Campus  
The University of Tokyo**

- ※ 8-min walk from **Higashi-Kitazawa Station's EAST exit (NOT West exit)**  
(Odakyu Line. Only local trains stop at this station.)
- ※ 10-min walk from **Komaba-Todaimae Station's West exit (NOT East exit)**  
(Keio Inokashira Line. Only local trains stop at this station.)
- ※ **DO NOT USE Yoyogi Uehara nor Ikenoue Stations**, if you are not familiar with the route to Institute of Industrial Science (Komaba II Campus). The routes are very complicated from Yoyogi Uehara and Ikenoue stations to Komaba II campus.
- ※ Institute of Industrial Science is located in Komaba II Campus which is 300m west of Komaba I Campus. **Please do not mistake the campus.**

**Convention Hall is at An-block 2F**

Map of Komaba II Campus

## Route from Komaba-Todaimae Station

- ① You can see a public restroom in front of the west exit. Go right, and pass under the railway bridge.

- ② You can see a side gate of Komaba I Campus but **do not enter**. Follow the road to left. The first floor of the brown building is a bakery.

- ③ Komaba elementary school. You can see a direction board which would be helpful. Go straight toward Japan Folk Crafts Museum.

- ④ T-junction with a direction board. Keep walking straight toward Japan Folk Crafts Museum.

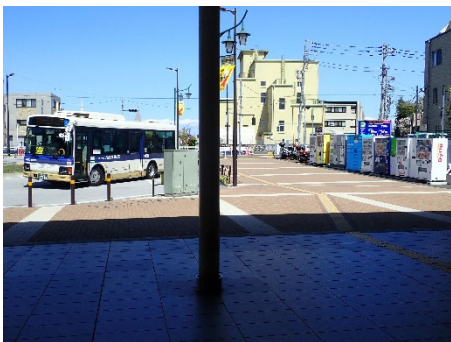

- ⑤ Japan Crafts Museum. Its main gate is on your right, and its west annex is on your left.

- ⑥ Soon after the museum, on your left, you can find the east gate of Komaba II Campus, also called as Komaba Research Campus.

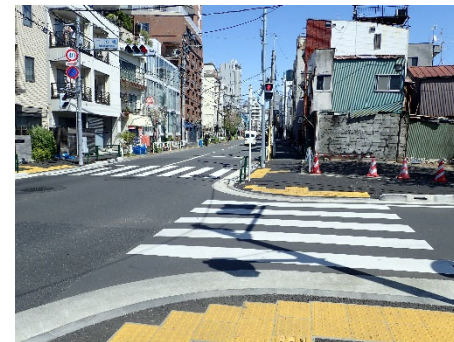

## Route from Higashi-Kitazawa Station

- ① You can see a bus rotary in front of the east exit. When you reach the connected road, go right.

- ② You can see My Basket Supermarket on your right.

- ③ T-junction with a traffic light. Keep walking straight.

- ④ On your right, you can find the main gate of Komaba II Campus, also called as Komaba Research Campus. The clock tower can be a landmark.

- ⑤ You can find buildings of the Institute of Industrial Science on the left-hand side of the clock tower. Please consult the navigation boards toward An Block.
